No. 5347

L. S. S. BRANUM

I have the honour to state that the President, Tiptur Municipality, reports in his No.Mi.65/28-29 dated 14th March 1929, that the Municipal Council intending to pass the accompanying fourteen bye-laws published the drafts thereof under Section 48 (2) of the Municipal Regulation for the information of the local public on 3rd August 1928 and invited objections thereon within one month from that date, that there having been no objections from the local area, a sub-committee was formed to suggest changes if any on the proposed bye-laws, that the convener of the Sub-Committee reported the views of the committee on 17th February 1929 and that the drafts were discussed in the Council on the same date and changes made in them. He requests that sanction of Govt. may be obtained thereto.

2. I request that the above proposal of the Municipal Council may kindly be sanctioned.

3. The report of the President and its enclosures are returned in original for kind reference.

Separate bye-laws for markets etc have been framed. Whether bye-laws for the occupation of public streets for various purposes etc in different places are necessary is for consideration. Similar bye-laws do not seem to be in force in other municipalities. Few may be necessary for the temporary occupation of streets, may be got from the Municipal Council

5346

The Municipal Council may frame bye-laws for regulating the use of public streets, places &c. such as are referred to in Section 68 (1) (a) and (b) which bye-laws are to be framed by the Municipal Council. Such bye-laws have not been framed by the Municipal Council. Whether these are necessary or not is for consideration. The bye-laws seem to be in order.

Draft of above may be approved.
